Profile

Compassionate and dedicated Registered Midwife with a solid background in providing comprehensive maternal and neonatal care across antenatal, intrapartum, and postnatal stages. Skilled in managing normal and high-risk pregnancies, conducting safe deliveries, and responding swiftly to obstetric emergencies. Adept at patient education, clinical assessments, and collaborating with multidisciplinary teams to ensure holistic and evidence-based care. Recognized for maintaining high ethical standards, strong documentation skills, and a calm, reassuring presence in high-pressure situations. Committed to promoting maternal health and improving outcomes for mothers and newborns.

Skills

Registered Midwife
