---

## Professional Summary

Board-Certified Internal Medicine Specialist with extensive experience in Emergency Medicine, Acute Cardiac Care, Inpatient Management, and Geriatric Medicine. Skilled in rapid clinical decision-making, cardiovascular emergencies, elderly care, multimorbidity, and polypharmacy optimization. Recognized for calm performance under pressure, sound clinical judgment, and effective multidisciplinary collaboration. Experienced in EMR/EHR systems (Cerner, Epic, Trak Care) with a strong commitment to patient safety and quality care across GCC healthcare systems.

## Education

- **Clinical MD in Internal Medicine-** Sudan Medical Specialization Board (SMSB), Sudan - Dec 2022
- **Bachelor of Medicine and Surgery (MBBS)** - University of Bakht-Elruda, Sudan - Apr 2016

## Professional Experience

### Al Salam International Hospital – Kuwait

*Internal Medicine Senior Registrar / July 2024 – Present*

- Provide comprehensive Internal Medicine care across **Emergency Department, inpatient wards, outpatient clinics, and home care services**.
- Independently manage **acute medical and cardiovascular emergencies**, including unstable and high-acuity patients.
- Deliver advanced **geriatric care** for patients with multimorbidity, focusing on **polypharmacy optimization, deprescribing, and medication safety**.
- Lead **daily ward rounds**, emergency admissions, clinical decision-making, and safe discharge planning.
- Coordinate care within a **multidisciplinary team** (pharmacy, nursing, physiotherapy, social services).
- Actively participate in supervision and clinical support of junior medical staff during emergency and inpatient care.

### Kassala Teaching Hospital – Sudan

*Internal Medicine Specialist / Dec 2023 – July 2024*

- Managed a wide range of **acute and chronic Internal Medicine cases** in emergency, inpatient, and outpatient settings.
- Performed **cardiac risk stratification**, acute stabilization, and evidence-based management of medical emergencies.
- Supervised and mentored **junior doctors**, emphasizing safe emergency assessment, rational prescribing, and clinical judgment.
- Led **CME sessions, case-based discussions, and morbidity reviews**, contributing to continuous medical education.

### **Al-Hasahisa Teaching Hospital – Sudan**

*Internal Medicine Specialist / Dec 2022 – Dec 2023*

- Delivered comprehensive **emergency and inpatient Internal Medicine care**, with particular focus on **elderly and high-risk patients**.
- Managed patients with **multiple comorbidities**, ensuring safe medication use and continuity of care.
- Supported **infection control measures, patient safety initiatives, and clinical documentation standards**.
- Contributed to supervision and guidance of junior staff during ward and emergency duties.

### **Fedail Hospital – Sudan**

*Resident Practitioner – Cardiac Care Unit (CCU) / Nov 2019 – Nov 2022*

- Directly managed **acute cardiac emergencies** including STEMI, NSTEMI, arrhythmias, and acute heart failure.
- Performed and interpreted **ECGs**, assisted in **echocardiography**, and participated in **ACLS-led resuscitations**.
- Provided continuous cardiac monitoring and inpatient management under consultant supervision.

### **Sudan Medical Specialization Board (SMSB)**

*Residency Training – Internal Medicine / Jul 2017 – Sep 2022*

- Completed structured postgraduate training across all major **Internal Medicine subspecialties**.
- Gained strong exposure to **Emergency Medicine, Cardiology, inpatient care, and outpatient clinics**.
- Developed solid foundations in clinical decision-making, evidence-based practice.

### **Ailla Hospital – Sudan**

*General Practitioner / Nov 2017 – Nov 2019*

- Provided comprehensive **outpatient medical care**, managing acute illnesses, chronic follow-up, and preventive health services.
- Delivered **preventive medicine programs**, including vaccination campaigns and public health initiatives.
- Promoted **rational antibiotic prescribing**, contributing to reduced misuse and improved medication safety.
- I participated in **community health education** and early disease detection activities.

**Federal Ministry of Health – Sudan**  
*House Officer (Internship) / Oct 2016 – Oct 2017*

- Completed structured clinical rotations in **Internal Medicine, Surgery, Pediatrics, Obstetrics & Gynecology**.
- Actively participated in patient assessment, diagnostic evaluation, and basic procedural care.
- Worked within **multidisciplinary clinical teams** to deliver safe, patient-centered care.

## **Core Clinical Strengths**

- **Emergency & Acute Internal Medicine:** Rapid assessment and management of acute medical emergencies in ER and admissions.
- **Acute Cardiac Care:** Skilled in STEMI/NSTEMI management, heart failure, arrhythmias, ECG interpretation, and ACLS protocols.
- **Geriatric & Frailty Care:** Comprehensive care for elderly patients, functional assessment, and multidisciplinary management.
- **Multimorbidity & Polypharmacy:** Rational medication review, deprescribing, and optimization of complex therapy regimens.
- **Inpatient, Outpatient & Home Care:** Continuity of care across wards, clinics, and home services with high safety standards.
- **Clinical Leadership:** Supervision and mentorship of junior doctors in high-pressure clinical settings.
- **Evidence-Based Decision-Making:** Applies current guidelines and best practices in internal medicine and cardiology.
- **Medication Safety & EMR/EHR:** Accurate documentation and use of Cerner, Epic, TrakCare for patient safety.
- **Multidisciplinary Collaboration:** Effective teamwork with nursing, pharmacy, physiotherapy, and social services.
- **Preventive Medicine & Health Promotion:** Implements vaccination programs, patient education, and disease prevention initiatives.
